THE NEW STATE GOVERNMENTS. The Political Position of the Several States in the

Present Crisis of the Union. We publish below important statistical information, giving the political classification of the members of the Legislatures of the several States that have held elections the current year. In the free States, it is almost unnecessary to say, they are republican, ad nauseam; in the slave States, as far as heard from, the Breckinridge element is largely pre-

dominant:-

encouragement I have received, far exceeding my most sanguine hopes, induces me to issue this prospectus, the object of which is to inform the public that I will, on the 1st of January, 1861, commence the publication of the BANNER, not only WEEKLY, but also DAILY. So far as the Banner takes sides with political parties, it will be Demogratic; but with regard to Internal Improvements, a change in our system of Taxation, and the preservation of a Constitutional Union, it will know no party, but will be the zealous advocate of all these, repudiating secret caucuses, (where the spirit of the Constitution is often violated,) packed and partial Conventions, and the scheming of would-be political demagogues and tricksters.

I shall be just and fear not. TERMS OF THE DAILY BANNER: One copy 1 year, in advance, \$5 00 20 00 TERMS OF THE WEEKLY BANNER: One copy 1 year, in advance, Six copies 1 " " Ten " 1 " " \$2 00 10 00
